# God, Gear and Guts Award

---

Congratulations to Jeff Jasperse for winning the God, Gear and Guts Award. Jeff was able to finish the entire ride solo while dealing with a stomach ailment, making the “Guts” part of the award slightly more literal than usual.

Congrats, Jeff!

# Volunteers

---

We want to say a special thanks to all of our volunteers. In particular, we want to thank the Ham Radio operators and Good Sam Club who track and feed our riders throughout the day and night. Without their support, the Whitney Classic would not be possible.
